Talk About It

We can learn from today’s Bible verses that the Bible is good for everything in our lives: teaching, improving, correcting, and instructing. But how do we apply what we read in our Bibles to our lives? Talk with your child about how every time they read a passage or verse in the Bible; it is important to ask himself “What should I do?” “What do I need to do about what I just read?” For this week, encourage your children to ask themselves: “How can I put this into practice TODAY?” when they are done reading their verse(s). Talk about it.
