We're very excited to announce that our small group curriculum for March, April, and May will be **Resolving Everyday Conflict**

This series will utilize a book (for each participant) and a guide for each chapter that will be made available for download on our website. Books are provided at no cost to the participant. Please talk to your facilitators about ordering books for their small group participants. Orders can be placed by emailing BookOrders@nac-usa.org. If you do not have access to email, or have questions regarding orders, please call (773) 654-2231 to speak with Sharon Westfield.

You will need to provide the following information:

- Full name
- Congregation
- Email address
- Full mailing address
- Number of English or Spanish books needed (please don't over-order!)

Orders should be placed before **February 20th** to receive the books on time.

Please check our website for posters and additional graphics for your use. If you have any questions regarding the materials, please email kim.kolb@nac-usa.org

This new content provides an excellent opportunity to start a small group if you aren't in one! Resources for facilitators and a how-to guide on starting a small group can be found on our NDI website.
